This Formula Shows Why Vinol Is Such a Marvelous

STRENGTH CREATOR

For Feeble Old People, Delicate Children, All Run-down and Debilitated Conditions; also for Coughs, Colds, Bronchitis and Nervous Disorders. Submit This Formula to Any Doctor and He Will Tell You There Is Nothing Better.

Vinol Contains

Cod Liver Extractives (or Peptones)
Beef Peptones
Iron and Manganese Peptones
Lime and Soda Glycophosphates
Iron and Ammonium Citrate
Cascarin
Pure Native Wine

You will note Vinol contains the oldest and most famous tonics known to medicine, viz., the medicinal extractives of fresh cod livers, without oil or grease; Peptonate of Iron, Beef Peptones, Iron and Manganese, with Glycophosphates to build up the nervous system.

These ingredients are recognized as the most effective agents to build up bodily strength, renew wasting tissues, enrich the blood, and most valuable in the treatment of pulmonary troubles to heal chronic coughs, colds, bronchitis and nervous diseases.

The reason Vinol is so far superior to old-fashioned cod liver oil and emulsions is because it contains cod liver peptones, without oil or grease to upset the stomach, and, in addition, the other health-producing ingredients above mentioned.
